I've never had a man say no to my advances. When I want to bed a guy, I'll be right up front with him. Like at the supermarket last month. I saw a nice-looking, well-groomed man getting a coffee from the in-store coffee house. I pushed my shopping cart over there, and told the barista that I'll have what the gentleman is having, being sure he could hear me. She made me the drink and I took it over to his table, put it down and asked if I could join him for a minute. He looked at me, smiled and said "Sure."

I sat on the small chair and looked him directly in the eye. 'I hope I'm not being too forward, but I've decided I want to fuck you tonight. At my place . At eight.' He smiled and without looking surprised, said he'll be there. He showed up right at eight and I met him with only stiletto heels on. I led him to the bedroom, undressed him, fell to my knees and gave him the best head he ever had. How do I know?

He told me so!

There are very few things sexier than ladies dressed in red. Of course, unless they're undressed playing with toys for some pussy stuffing fun. Let's us have some fun and watch. But sucking on a dildo is not quite the same as sucking on a cock, but when there's no cock around and the dildo is slathered with pussy juice, then it is worth slobbering over.

But dildos do cum in handy, they're just the right plaything when we're in the mood. They may be cold and plastic, but our mouths and pussies warm them up quickly. And they stay hard forever. No waiting.

One time I met a lovely lady at a business function. I introduced her to my husband and he decided he would like to fuck her. I have an open relationship with my husband. I invited her over and she agreed. I sat on a big overstuffed chair watching them go at it. After they finished, I made us all dinner. The conversation around the dinner table was quite exciting. After dinner, she and I fucked as he watched.

She stayed that night and we had ourselves a threeway. I don't think I've ever seen my husband so into sex. but that's okay. I think he especially liked it when she was blowing him and I had his balls in my mouth. He looked at us the whole time, taking it all in as we were taking all of him in.

To the Editor,

I've just got to tell you that I like the letters you've been printing. So I have to write this one quickly because I'm a break at the office and I have a meeting to go to when it's over.

Several weeks ago I started banging this hot chick at the office. She's about 33 and I'm 50+ shall we say. She said she liked older men and I fit the bill. Well, we made it a few times after work and even once on our lunch hour, but I gotta tell you about the first weekend we took off together. Friday morning we jumped on a plane to Palm Springs with the excitement of six days of nothing but hang by the pool and have sex before going back to work.

So we get there and cab it to the hotel where she immediately jumps my bones. We don't even unpack as they day slipped away with me inside her for most of it. I promised her that we'd go out to a nice restaurant for dinner that night and as we were getting ready, she's showering and slips in the tub. I hear her scream from the bathroom and rush in to see her sitting in the tub holding her leg. I asked if she was okay and she said she

50+ #66

Dear 50+,

I'm writing to tell you what a smokin hot babe your cover girl Shannon is. I saw her a few years ago in a video and she went at it all out. I appreciate that in a women. Now here she is, looking as good as ever and super hot with that long auburn hair and that black vinyl outfit. Hot.

And I got to admit that her pix are hot too. First sticking that dildo in her ass, then her finger and finally that big, hard cock. You gotta love a lady that can take things up her ass and smile about it.

— Can't wait for more! Chris

needed to go lay down lay down because of the pain. I helped her out of the tub and over to the bed. She sat on the bed and I sat next to her consoling her and rubbing her leg. She was really apologetic about ruining the evening, but I told her not to worry, we still had Saturday night if her leg felt better. I sat there thinking this was a bummer.

We turned the TV on and watched some mindless shows for an hour while we waited for room service to deliver. We ate and I was starting to get horny again. I took her plate and started to rub her hurt leg carefully. She winced in pain. I started to move my hand up her leg to her thighs and then to her naked pussy under the sheets. At first she pushed me away gently but firmly. "You must be really horny if you want to mess around with me in this condition," she said. I pulled the covers off me to show her my erection. I slipped my hand under her t-shirt trying to squeeze her nipple. "Baby, my leg hurts, I can't do this now!" she complained, grabbing my hand and pulling it from her breast and crotch. I whimpered that this was our first time away and reminded her of all the fun sex things we said we would do. She said

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. we still would, right after her leg got better, but now she had to go to sleep.

So after that night she spent the next two days on the balcony looking and whining about the beach. Every time I tried to get close to her, she always complained about her leg and I went away frustrated. Finally I think I got to her because she agreed to a blow job that Sunday night. She gave me a quick bj and after a few slurps and licks I explode in her mouth because I was so pent up from no sex but a lot of expectations of it.

Now it's the fourth day of our vacation, only two days left, and I'm really desperate to fuck. Her leg was still sore so rather than mope, I ordered a nice bottle of wine and we sat on the balcony drinking it. After polishing it off, and a couple more we had ordered, she said her leg was feeling better and got up pulling me to the bedroom. She took off her clothes and got into bed. I had to go to the bathroom to relieve myself and when I came out she was sleeping — naked on the bed. I looked at her and realized I was still horny as hell. I know I couldn't just go to sleep. So what did I do? I took some lotion from

her cosmetic bag and spread some on her ass crack working it between her cheeks and slipped a finger inside her anus. After a moment I felt her open her legs a little, all the while gently snoring in her sleep. We had never had anal sex but she said she had tried it before with one of her previous boyfriends. As my finger slid in and out, her hips moved encouraging me to go deeper. I climbed over her on the bed, put some more lotion on my hard cock and gently slid it into her butt. I started slowly as not to wake her but it was hard to control myself.

After one especially deep thrust, she awakened, looked back at me and gave me a sleepy smile. "Baby, don't stop!" she said. She got up on all fours and I worked it some more as she reached between her legs and rubbed her clit into a screaming orgasm. Well as for me, I exploded my frustration deep in her butthole and collapsed on top of her and quickly fell asleep. For the remaining days we fucked and sucked every free minute. She said her leg was completely fine. I said that all's well that ends well. Well inside her ass, that is!

— Keith in Phoenix

Dear Editors,

I'm writing to your magazine because I have to find out more about the cover lady on your issue 50+ #66, Shannon. Is she a full time adult actress? Do you know if she's ever lived in the Pittsburgh area? I was just walking by a newsstand in a local shopping area and saw it. I did a double take and went back to buy it. FYI: I was pleasantly surprised at how nice the ladies were and how great the issue looked. I especially likes a lot of the anal sex, something I'm dying to try on my girlfriend this year.

I'm asking because I grew up in Mt. Lebanon. All my mom's friends were hot (my mom was, too) and Shannon looks just like Jessica who lived a couple houses down from us. Now I don't expect you to tell me her real name or personal history, but is there any way to find out if she's from here?

When I was in high school, I had crushes on most of them. They would all come over and sit around the kitchen or out by the pool at our house swapping stories about their husbands and boyfriends. This was about six years ago.

I remember one time. Jessica and Jodi, our across-the-

street neighbor, were sunbathing topless at the pool. When my mom left to go to the kitchen to refresh their drinks, they called me over to rub some suntan oil on their backs. As a high school

freshman, I couldn't be more obliging. I started with Jessica and then Jodi. As I finished Jodi, Jessica rolled over on her back and asked me to put some on her chest. The two ladies giggled. I said I shouldn't, but she said it was okay. So I did, splashing some in my hands and starting at her belly and then shoulders.

Well, this wasn't good enough and she grabbed my wrists and moved my hands over her boobs. I looked away but I felt her nipples get harder as I massaged oil on them. Just then, my mom came back and asked what was going on. I stammered in embarrassment as I tried to answer her. Back to Shannon...

Please let me know, okay?

— Landis P.

NASTY HOUSEWIVES PRESENTS

When Snow White met Pinocchio, she ran up to him, knocked him flat on his back, and then sat on his face crying, "Lie to me! Lie to me!"

let the fireworks begin

IT'S GONNA BE A HOT TIME IN THE OLD TOWN TONIGHT!

I had driven to San Francisco from Denver across I-80 from Salt Lake City during the week between Christmas and New Year's to attend my friend Jeanette's big "end-of-the-world blowout." That's what her invitation said. 'If the world is still here, let's party.' I found her house on Nob Hill with some effort, but it was quite nice with a great view of the skyline. She had invited lots of people, probably more than 150, and to my surprise Cody was there. I thought he had moved to Europe, but here he was. I mingled through the night with the guests, getting drunk and having a good time. When I came across Jeanette we kissed and she looked at me and told me, "Did you see that Cody showed up?" We caught up as the night progressed, getting more drunk, having a great time but I could tell by her deep lingering kisses and whispers in my ear she was very horny. Jeanette had teased me over the phone before the party that she was going to hook up with me for old time's sake. I just blew it off thinking she was probably teasing me because she is quite good at that.

I looked for Jeanette as the party wound down. I saw Cody and started to chat with him. I couldn't resist sharing Jeanette's crush on him and he was clearly amused. We joked about a 50 year old having a crush on a 30 year old guy. After a few drinks we decided

to catch up with Jeanette. We searched the various rooms but couldn't find her and no one had seen her for a while. As a last resort we went up the flight of stairs to her bedroom. I pushed the door open slowly and we both looked amazed at the sight before us. Jeanette was lying on the bed with her short cocktail dress above her hips so we both had a good view of her favorite rabbit vibe pressed against her clit, the humming of her toy punctuated occasionally by her groans of delight, her eyes closed as her sigh of enjoyment came in time with her rocking her hips to the vibrations.

After a minute staring at the sight in front of us, Cody turned to go but I took him by the arm and stopped him. Feeling my cock start to rise, I moved into the room. Glancing down at Cody's groin I reckoned he shared the similar excitement of catching Jeanette masturbating. I beckoned to go in and directed

Cody to the side of the bed while I crawled across the other side and planted a deep kiss on her lips. She responded instantly returning my kiss with the same ardor.

She glanced across the bed to see Cody standing there and a startled look came across her face followed by a giggle of embarrassment and a movement to pull her dress down to cover up her recently waxed pussy.

New Year's fireworks display from the Golden Gate

Reaching lower, she fondles our balls, twirling them between her fingers, and then back to our cocks. Her fingernails roam across our cock heads making them tingle...

She slowed down the vibe and took it off her clit. "Please don't stop on our account." I whispered. And to continue my excitement and seize the moment I unbuttoned my jeans, pulling them and my boxers down to expose my hard on. I pushed her hand back toward her wet pussy and urged her to continue as I began to stroke my cock in delight at the scene. She groaned in pleasure at the sight and looked across at Cody. He was unzipping his pants, dropped them to the floor and revealed his thick rock hard cock springing from his pants. He too began to play with his cock getting it ready for what was about to come.

that they took a beautifully erotic shape for me. The view only served to make Cody stroke his cock harder and I ran my tongue around the base of the nipple next to me as it fattened to the light lick of my tongue.

Cody fixed on the view before him and heard her almost painful gasp as she reached a peak of pleasure and grimaced before her head collapsed on the pillow with her eyes firmly shut. The toy fell to one side. After a brief pause she looked at me then Cody, and reaching across grabs my cock in her

left hand and begins to slowly stroke the length up and down looking into my eyes. Then, reaching out clasps Cody's cock in her free hand, simultaneously stroking our manhood with a huge, sassy grin on her face. My heart pounded in my chest as I savored the sight of Jeanette turned on to such an extent. I loved the expression on her face when she was turned on. The sight of her holding a hard cock in each hand was amazingly exciting. As she stroked our cocks, I took my hand and searched out her wetness with my fingers, slowly circling her throbbing clit with in a circling motion. I nodded at Cody and we alternated between exploring her pussy with our fingers and slowly licking and teasing her nipples. She gripped our cocks hard as she shook with excitement when both

I climbed onto the bed and pulled her dress up so Cody and I could both adore her beautiful body. She guided the vibrator back onto her clit, parting her smooth lips to get access to her throbbing button. She glanced at us two men masturbating beside her and it only served to spur her on to grind the purple rabbit into her soaking slit. Kissing her passionately I slipped my hand underneath her bra and unfastened it releasing her boobs from their restraints and I pulled it off her. Her beautiful breasts and hard nipples were now free and ready for us. I always thought her breasts were amazing. Firm, but full cups meant

our fingers converged in her wetness some fingers probing inside her and others parting her smooth, soaking pussy lips. I looked at Cody and motioned him to work her anus. His fingers slipped out of her pussy and probed between her butt cheeks. Finding her brown hole, he deftly slipped a finger slowly inside as she softly moaned.

As I repositioned myself, my hand slipped under the bed's pillow and came across an sexy pink vibe. I pulled it out from under and upon seeing it, Jeanette broke out into a huge grin. The look of anticipation on her face was only matched by her in-

creased teasing of our cocks. I watched in absolute ecstasy as she ran her thumb across the top of cock heads. Receiving a glance of approval, Cody replaced his finger in her butt with the pink toy. It slid in effortlessly as she was dripping wet with excitement. He gently plunged the toy in and out with pulsing regularity and she groaned again with delight. I was about to cum and Jeanette opened her mouth awaiting my man juice to feed her thirsty mouth. Needing no encouragement I knelt closer to her and fed her my rock hard cock into her welcoming mouth. Gripping the base of my shaft close to my balls she encircled her lips around me and enveloped my throbbing dick. Looking over to Cody, I felt his anticipation and excitement as I watched him rhythmically plunge the pink plastic cock into her gyrating, bouncing booty.

I exploded into her with a cup of liquid white lava as my full balls emptied into her accepting mouth. I bent forward and we kissed passionately after my softening dick dropped from her mouth. We shared the taste of cum on her lips from the beads that had escaped being swallowed. Turning to Cody, she strengthened the grip on his cock. His focus broken by the attention on his rock hard cock, the pink toy was discarded on the bed alongside the glistening rabbit previously used to induce a massive orgasm.

Jeanette's legs pulled my sweaty face into her wetness and I began licking her naked pussy. Looking upward I was greeted by an amazing view as my head was gently rocked by her hips responding to the attention of my tongue and mouth. Her breasts were slightly flushed from excitement and shapely full. Her nipples swollen and upright, she squirmed in the throes of pleasure. Shifting her attention from herself to Cody, she moved her grip down his shaft and pressed her fingers upwards between his balls and butt hole. Returning the pleasure, Jeanette penetrated his booty with one finger and then two. Hot jets of cum splattered across Jeanette's heaving breasts and shimmering belly. He groaned at the

explosion and as he did Jeanette quivered in orgasm from my sexing her and the excitement of the blistering hot scene were just in.

We all collapsed hard on the soaked bedsheets from our climaxes, Jeanette laying between us guys. Her hands drifted back to our cocks and gently stroked them in grateful appreciation. Reaching lower, she fondles our balls, twirling them between her fingers, and then back to our cocks. Her fingernails roam across our cock heads making them tingle without arousal. My left and Cody's right hands converge of her slippery pussy, playing with her outer lips, sending a finger into her every once in a while. We all fall asleep holding, touching each other's privates until the next day becomes the New Year.

We wake up to the sound of the football games and the smell of coffee. Seems like some invites didn't make it home and decided to spend the night on the living room sofa. Cody and I roll onto our sides to face Jeanette and plant a big kiss on each cheek. She responds in kind and we start up all over again, slowly kissing our way down her musty body until Cody and I meet at her venus mond. Oh, she tastes so, so sweet in the morning.

Yes, I, as well as these, can be a real handful. But that doesn't mean high maintenance. It means that I'm very demanding in the sack because I demand a lot back. As far as I'm concerned, any sex is good sex as long as it holds an interest for me. That's when I'm at me best and can really let loose.

Bailey admits to having her indiscretions. That's probably what did her hubby in. All her cavorting and playing around. She told us that he never would have known had she not been caught in the act. There were times he was close to finding out, but the last straw was this photo shoot! Quite ironic, huh?

Bailey was booked for the shoot and all was going quite well until her now-ex showed up at the studio door. She asked how he found her and he said he used the GPS app to track her cell phone. Ah! Busted by technology. Well, the good thing is that she can now work without any hesitation or any man lumbering over her whereabouts. That means she's available for you right now. How ironic.
